

# The Sofa-WallBed: Broadway and Symphony Series

- The cabinet and bed of the Broadway Series Sofa-WallBed is built of melamine over particle board. For the Symphony Series Sofa-WallBed, they are built of Maple veneer over particle board. See Finish Sheet or panel samples for all finishes.
- The sofa is constructed of hardwood, plywood, and kiln-dried architectural-grade lumber. Frames are gusseted and screwed. Seats are supported by heavy gauge, coated springs.
- Mattress (not included) is supported on a steam-bent hardwood European slat system for superb comfort.
- Sofa-WallBed can be free-standing. If installation is preferred, only a simple attachment to the wall at the top of the cabinet; no drilling into the floor.
- All Sofa-WallBeds coordinate in height, depth, and finishes with the Inova TableBeds and cabinet systems.
- For the sofa, a wide variety of optional arm, cushion, back, and skirt styles are available.
- Cal King is standard. Eastern King is available upon request.
